# SHERRY

## FINO

The lightest style of sherry is aged in barrel under living 'flor' completely protected from oxygen. The result is a fresh and delicate wine with notes of green apple, pear and slight savoury notes on the finish. An excellent aperitif.

75ml / Btl

Tio Pepe En Rama (37.5cl) 5 / 19

Tio Toto (75cl) 3.4 / 25

Mira La Mar (37.5cl) 17

Inocente Single Vineyard (37.5cl) 17.5

Tres Palmas (50cl) 80

González Byass Anniversary (75cl) 100

## MANZANILLA

The sister wine to Fino, Manzanilla is produced in a very similar way only often released at an even younger age. Hailing exclusively from the town of Sanlúcar de Barrameda, the sea air imparts distinct salinity on the wine coupling beautifully with the fresh citrus and green fruit flavours.

Barbadillo Solear (37.5cl) 4 / 17.5

Mira La Mar (37.5cl) 17

La Gitana Aniversario (75cl) 120

## AMONTILLADO

The awkward teenager of the sherry world, Amontillado wines start aged under flor before further fortification kills the protective layer allowing the wine to continue to develop in barrel with the addition of oxygen. The result is a wine which retains elements of freshness on the nose whilst combining with darker, richer and nuttier textures on a longer dry finish.

75ml / Btl

González Byass Viña AB (75cl)	4.5 / 38
Fernando de Castilla (50cl)	65
Babadillo 'Principe' 12yr (75cl)	60
Aurora (50cl)	40

## OLOROSO

Fully oxidised and the darkest in colour of the pure Palomino styles, this bone dry sherry incorporates rich notes of dark fruit and spice on the nose whilst showing intense nut, earth and umami on the palate. A great compliment to spicy meat or game and rich cheese.

Tio Toto (75cl)	3.8 / 28
González Byass Alfonso (75cl)	4.5 / 38
Aurora (50cl)	40
Valdespino Solera 1842 VOS (37.5cl)	38

## PEDRO XIMÉNEZ

Otherwise known as 'PX' or 'Black Gold' the air dried Pedro Ximénez grapes are repeatedly pressed to extract maximum sugar & flavour. Served chilled, younger expressions show raisin & vanilla whilst older bottlings exude a spectrum of flavours from fig & coffee to chocolate tobacco & spice.

Tio Toto (75cl)	75ml / Btl

Fernando de Castilla Antique (50cl)	65
Barbadillo 'La Cilla' (75cl)	25

## MOSCATEL

The sweet little sister to Pedro Ximénez, the Moscatel grape shows beautiful delicate orange blossom, grape, peach, stone fruit and thyme. Our Mira La Mar expression does not air dry the grapes meaning they retain fresh acidity and maintain wonderful structure and finish.

Mira La Mar (37.5cl)	4.2 / 18
----------------------	----------

## PALO CORTADO

This mysterious sherry is hard to pin down. Historically an accidental blessing, today it is a loosely defined expression unique to each bodega. Somewhere between Amontillado in aroma and Oloros in body, these unique wines are a must try.

## ALBARIÑO

We love Albariño. Whilst retaining throughout the range classical notes of citrus fruit and acidity, the wines in this selection also include a variety of techniques including sparing use of oak and lees ageing to give a delicious variety of wines that truly celebrates one of Spain's most iconic grapes.

Btl

### Pazo Baión

The unique Txakoli wines from Northern Spain are fresh and fizzy whilst showing some incredible variance and complexity of flavour. Made locally using traditional methods since the 8th Century, whilst not for everyone, these challenging wines match perfectly with local food and make an excellent aperitif.

## RICHER

These wines are made in a fuller style, with orchard and tropical fruit, herbs and higher levels of oak.	Btl
Nuviana Chardonnay, Aragon	22

# RIOJA

Whilst possibly the most famous red wine region in the world, the diversity of Rioja is often misunderstood. Young Riojas beautifully show off the bright red fruit typical of the Tempranillo and Garnacha grapes that dominate most blends. 'Crianza' wines having benefited from oak show more rounded flavours, softer acidity and more dominant flavours of vanilla. 'Reserva' and 'Gran Reserva' having had the most time in both barrel and bottle show dark, rich and complex ranges of flavour.

## Matsu

A labour of love from winemaker Raul Acha, these three beautifully presented Tempranillos are intended to represent the passing of time. The Picaro has the youngest vines and shortest aging. The Recio takes more of a crianza style and finally El Viejo comes from 110 year old vines before spending over 16 months in oak. Each figure on the bottle represents these ages.

## PRIORAT & MONTSANT

Whilst perhaps not as well-known as big brothers Rioja and Ribera, the rugged mountainous vineyards of Priorat and Montsant produce stunning wine. Famed for slate soils, old vines and harsh sun, the wines are powerful and complex, whilst still retaining elegance and an unmistakable sense of place and identity.

Maius Bodega Puig Priorat 40  
Medium weighted this Cabernet and Garnacha heavy blend combine intense red fruit with hints of vanilla from the light oak. The finish is long with supple tannin.

Black Slate, Priorat 34  
Hailing from the hallowed village of Escaladei, the grapes sourced from the famous 'licorella' black slate soils ooze rich dark cherry and bramble with an elegant tannin to finish.

## Joan d'Anguera

This biodynamic estate situated on beautiful limestone slopes is run by two brothers, the 7th generation of winemakers in their family. A perfect marriage of modern and traditional methods they use wild yeast, hand picking and whole bunch fermentation. The Joan d'Anguera blend is aged and rested in concrete whilst the Planella and Altaroses make use of old oak to round and enrich the lively Garnacha and Syrah grapes they are renowned for!
